The Next Job Boom

Paul Kaihla, Erick Schonfeld and Paul Sloan

New studies say everyone's out looking. The latest data says everyone's hiring. Here's what workers (and their bosses) need to know about the best employment landscape since the bubble burst.

Silicon Valley's New New Thing

Michael V. Copeland

The big brains are at it again. But this time it's not about PCs. It's about beating Detroit and Tokyo, saving the planet, and doing 0 to 60 faster than almost anything on the road.

The eBay of Swap

Michael V. Copeland

Swaptree is the latest startup that's stealing a page from eBay's play-book -- and doing it one better by engineering trades in a way eBay can't.

5 Ways to Start a Company (Without Quitting Your Day Job)

Erick Schonfeld

Virtually everyone stuck in a cubicle dreams of starting his own business. But most, alas, can't afford to give up the paycheck. What to do? Here are five ways to use your current gig to launch a new venture.

Cooking Up a Better Team

Saheli S.R. Datta

An office edition of Iron Chef cooks up better teamwork.
