Bert,

Great news! Your doctor, Dr. Michael Guirguis, has approved your new 8-month touch-up **treatment plan**. **Your aligners are now being made and will take 3-4 weeks**. Remember, we custom-make every single aligner in your treatment plan. We'll notify you when your touch-up aligners have shipped.

Important: Continue wearing your last set of aligners while you wait for your touch-up aligners to arrive to prevent your teeth from shifting back.

Thanks for your patience and for being a part of the Club. We're committed to getting you a new smile you'll love.

Kindest regards,

SmileDirectClub
