Hiring Manager

Athlon Studio

Dear Hiring Manager,

I am excited to apply for the Design Director position at Athlon Studio. With 30 years of design experience, including 26 years in UX, I am passionate about leading teams to create user-centered products. Your philosophy of designing products that work for people aligns perfectly with my approach.

At HamiltonBerchman, I led over 1,000 projects, driving user engagement through responsive design. At Hatch Early Learning, I streamlined processes and guided UX designers, enhancing our solutions with AI-driven insights. My collaborative leadership style and strong client relationships have consistently resulted in successful outcomes.

I am eager to bring my experience to Athlon Studio and contribute to your mission of making complex things easy to use. I am particularly drawn to the opportunity to work from anywhere and be part of a dynamic team.

Thank you for considering my application. I look forward to discussing how I can contribute to your team and work with you.

Best regards,

J. Bert Mahoney
