MANGAIA

Adventure calls in the natural wonderland of Mangaia. Also known as A'ua'u Enua, located 203 kilometres southeast of Rarotonga, it is one of the oldest islands in the Pacific.

The island of Mangaia is a volcanic plateau, surrounded with a band of makatea (raised fossilised coral cliffs). Inland from Mangaia's rugged coastline lies a sunken interior plateau, home to lush wetlands and hidden caves. Mangaia is also known for its ancient artifacts, stone carvings and delicate golden shells. These are a testament to the island's rich history and culture, and are a must-see for any visitor to Mangaia.

Accommodation on Mangaia is at Babes Place, a simple, clean and well presented property located in the main village of Oneroa. Room options at Babes Place include four basic units - each with their own private bathroom, and two double bedrooms in the main house - these rooms share a bathroom. Also in the main house is the communal kitchen, dining, lounge and laundry facilities.

MAUKE

Mauke, traditionally known as Akatokamanava, is one of the three close islands of the Southern Group, known as "Nga-Pu-Toru" along with Mitiaro and Atiu. This island is a treasure trove of history and culture, and is ready to share its stories with visitors.

With its rich soil and abundance of vegetation, it is no wonder that Mauke is referred to as the garden island of the Cook Islands. Widely known for their unique ei maire (garland) and akari pi (infused coconut oil with talinium labobo).

On Mauke, Ri's Retreat is where you will stay, located on the eastern coast—a 5 minute walk from the airport. On-site there are three Self-Contained units and a Self-Contained 2 Bedroom House.
