

Pack 3502

Meeting Notes: Tuesday September 28th

Current Focus:

We are working on the Outdoorsman activity badge (p. 343 in Webelos Handbook)
Boys who are attending camping this weekend will complete the work on this activity badge (required for Arrow of Light)

For boys who are not attending this camping trip, we are planning to have another—Webelos only—camping trip before Thanksgiving. More details are to come.

Next Up:

We will be next working on the Readyman activity badge (p. 365 in Webelos Handbook)

If any parents have first aid skills, or certification, etc. would be great to have your help with the Readyman activity. Look through your son's book at the activity to see what is covered.

Important Dates:

- Next Gathering: October 1-2 pack campout
- Next Pack Meeting: October 7th @ 6:30pm at the Church Hall
- Next Den Meeting: October 12th @ 6:30pm (location TBD)
